Dear friends/colleagues

Charity Film Show on 18 September 2014

I am writing to solicit your support to the above mentioned activity of our PHKAN to be held on 18th September 2014 at Jockey Club Auditorium of HK Polytechnic University at 7:30 pm. We have chosen the film "Fish Story 子非魚" in which it explores a new generation of immigrants from China who uprooted their lives to secure a Hong Kong education for their children by struggling in poverty in the real world. This film has gained high remarks from local critics. Please refer to the attached information on the film description.

The fund raising event is a yearly event of PHKAN in supporting community programs in the coming year, we have already gauged ourselves in organizing community health programs for World Health Day, International Nurses Day as well as other health related activities. For the past year, with the programs organized, PHKAN has gained positively public recognition on the health images of our College members.

I look forward to your generous support to this meaningful event for nurses and the public. Please complete the following reply and return to us at LG1, School of Nursing, Princess Margaret Hospital, Kowloon on and before 18 August 2014. If you have any enquiries, please feel free to contact Dr Alice TSO, Fund Raising Chair at 6159 0827 or PHKAN office at 2370 0335.

With best regards,

Dr Susie LUM
President

Dr Alice TSO
